Appendix to EC Quality System Assessment Certificate (2/2)

Conditions of the validity:

1. The products are to be manufactured in accordance with the approved production quality assurance system (Module D) of the Council Directive 2014/90/EU on marine equipment.
2. If the Directive or the applied Standard(s) is amended, the product is to be re-approved in accordance with the amended requirements prior to it being supplied to vessels to which the amended Directive or Standard(s) apply. Any significant changes in design or construction of the product, or amendments to the Directive or Standards referenced above may render this certificate invalid
3. The Manufacturer must inform the "Notified Body" of modifications made to the Quality System which may affect compliance with the requirements.

Remark

1. Reissued on 3rd July 2020.
- Renewal of existing certificate issued on 3rd July 2015.
