

As with all Kärcher products, functionality is a key feature of the VC 2 vacuum cleaner. With its sleek design and practical size, the yellow VC 2 fits perfectly into the modern family home. Its ease of use makes it suitable for young and old alike. Its dust bag system is user-friendly: full bags can simply be thrown out without coming into contact with dirt. Accessories can be practically stored away and are never forgotten. A HEPA 12 filter with minimal dust emission ensures extremely clean air – ideal for allergy sufferers. And the low noise generation makes it extremely family-friendly. The Kärcher VC 2 cleans floors and carpets just as thoroughly as narrow gaps, corners, edges and other hard-to-reach places.

VC 2 *SEA
